

Head Coach and Assistant Head Coach – ASA level 3 or ASA level 2 (working towards Level 3)

Calverton & Bingham Swimming Club (CABSC) in Nottinghamshire, is seeking an inspirational Head Coach and Assistant Head Coach to head up the coaching team. This is an ideal opportunity for level 2/level 3 qualified Swim Coaches who would like to join our experienced coaching team as a Head or Assistant Head Coach.

Calverton & Bingham swimming club (CABSC Stingrays), based in south-east Nottinghamshire, is a family-friendly and community based competitive swimming and water polo club with swimmers ranging from 6 years up to a successful master's squad. The club has a strong development and County section which has seen success at County, Regional and National level. We are a Swim Mark accredited club and are looking to further grow our membership. We strive to provide opportunities for all our swimmers to achieve their personal goals through competitive swimming and improved fitness at all levels.

We are looking for coaches with passion and enthusiasm for competitive swimming. The successful candidates will be responsible for overseeing and delivering the coaching programme, coaching a number of sessions with the support of the current dedicated coaching team, working on technique and development of advanced skills and performance. This is a fantastic opportunity for coaches looking to grow their current role. Both roles are part-time, approx. 12-15 hours per week. The successful candidate would be expected to work at pools in Bingham and surrounding East Nottinghamshire areas.

The ideal candidate will:

- Hold ASA minimum level 2 qualification in Swimming coaching (with a view to work towards Level 3).
- Have a high technical understanding to design and produce detailed swim sessions for specific squads
- Be willing to keep up to date with future developments in swimming and share this knowledge with the rest of the coaching team
- Demonstrate a strong ability to motivate and coach swimmers, working closely on technique development.
- Work closely with coaches, swimmers and their parents, committee, volunteers to continue to grow working relationships
- Attend appropriate competitions
- Excellent admin skills and computer literacy to compliment the role.

Qualifications:

- Hold ASA Level 2 Swimming Coaching Certificate
- Child Safeguarding Certificate from Swim England approved training provider
