

Nottingham Leander Swimming Club is looking to add a committed and talented coach to its team. Expressions of interest are invited for

## **Assistant Junior Squad Coach**

Nottingham Leander is one of the East Midlands' leading competitive swimming clubs. We have over 450 members and boast a Tadpoles (learn to swim) programme and an active Water Polo section as well as our junior, senior and masters swimming sections.

We have training sessions 6 days a week spread over 8 pools across the city and Rushcliffe Borough. You will be expected to coach 3 sessions per week plus Sunday on a rota which will be no more than 1 Sunday a month. Our current coaching structure allows flexibility in which sessions these might be.

In the last competitive swimming season Leander had one of its most successful campaigns ever. Our junior swimmers were crowned Derbyshire and Nottinghamshire champions and some of these same swimmers contributed to the club finishing 5<sup>th</sup> in the Arena National League Regional Final – our highest placing in many years. We have a burgeoning Junior development section feeding into our Junior squad. The progression of these squad swimmers up through the club promises a very bright future for Nottingham Leander.

Leander has a strong identity and it is important that our new coaches recognise and engage with this. We are a family club; many of our swimmers are the children of Leander swimmers. We aim to give a life-long love of swimming and keep our members in the sport (no burn out!) We are a fun club and believe that happy swimmers will be fast swimmers.

Coaches will be working alongside our Director of Swimming, Steph Brakespear- Handley and our Junior Squad Coach Adam Jeacock along with our dedicated team of volunteers.

Remuneration

Assistant Junior Squad Coach - £2500-£3000 per annum
