

Nottingham Leander Swimming Club is looking to add a committed and talented coach to its team. Expressions of interest are invited for

Assistant Coach

Nottingham Leander is one of the East Midlands' leading competitive swimming clubs. We have over 450 members and boast a Tadpoles (learn to swim) programme and an active Water Polo section as well as our junior, senior and masters swimming sections.

In the last competitive season we finished 5th in our region of the National League and are reigning Derbys. and Notts. Junior League Champions. We had 2 Water Polo players representing English schools and one of our swimmers representing GB at the European Youth Triathlon festival. A senior squad swimmer was crowned national champion. Amongst our masters we have British record holders and Open Water champions. Our members excel - regardless of age or discipline.

We have training sessions 7 days a week spread over 8 pools across the city and Rushcliffe Borough. You will be expected to coach 3 sessions per week plus Sunday on a rota which will be no more than 1 Sunday a month. Our current coaching structure allows flexibility in which sessions these might be.

Leander has a strong identity and it is important that our new coaches recognise and engage with this. We are a family club; many of our swimmers are the children of Leander swimmers. We aim to give a life-long love of swimming and keep our members in the sport (no burn out!) We are a fun club and believe that happy swimmers will be fast swimmers.

Coaches will be working alongside our Director of Swimming, Steph Brakespear- Handley and with our dedicated team of volunteers.
