

Nottingham Leander Swimming Club is looking to add a committed and talented coach to its team. Expressions of interest are invited for

Masters' Squad Coach

Nottingham Leander has been the most successful club in the county for some years and we wish to maintain this position. In the last competitive season we finished 5th in our region in the National League and are reigning Derbys. and Notts. Junior League champions.

We have an extremely active Masters section covering a wide range of abilities from competent swimmers wanting to improve and keep fit, to those wanting to compete at regional, national, and international level. Regardless of ability, the social side of swimming is important to all.

Our Masters have training sessions 6 days a week spread over 4 pools across the city and Rushcliffe Borough. You will be expected to coach 2 or 3 sessions per week. Our current coaching structure allows flexibility in which sessions these might be.

Your role will be to assist the Director of Swimming and existing Masters' Squad coach in ensuring that our Masters swimmers are challenged and encouraged to fulfil their potential whilst having fun in a friendly, supportive environment.

Leander has a strong identity and it is important that our new coaches recognise and engage with this. We are a family club; many of our swimmers are the children of Leander swimmers. We aim to give a life-long love of swimming and keep our members in the sport (no burn out!) We are a fun club and believe that happy swimmers will be fast swimmers.
